Forecast for Tuesday 17 Aug 2021

Weather: Overcast and grey with outbreaks of drizzle throughout the day, feeling very cool on hill tops with a fresh breeze. The odd sunny break is possible in the afternoon or evening in the far southeast.

Chance of cloud free mountain/hill tops above 600m: Less than 10%.

Visibility: Very poor, particularly on north-western hills with cloud bases of around 400m throughout the day. Occasionally improving in the afternoon or evening in the southeast as cloud bases break up in any sunny spells.

**Level above which ground is expected to be frozen/snow is expected to settle.*

Meteorologist's View

The weather will remain poor throughout the day, hill fog will make for difficult navigating conditions therefore it is advisable to remain at lower levels if planning a day out.

Recent rainfall: measured at Neuadd: altitude 353m
